

On Your Wedding Day (sung to the tune of [Still Alive](#))

Richard's bachelor party was a triumph
I'm making a note here: HUGE SUCCESS
It's hard to overstate his satisfaction

Kelly's bachelorette party
Was filled with lots
Of naked men
She had fun dancing with them
But now she can't cause she's wed

But there's no use crying over your singlehood
You will soon be married – it will be very good
The vows will be told
And then you will grow old
With the memories of your wedding day

I'm not even angry
I'm being so sincere right now
Even though we have to drive to L.A.
To see you get married
And leave the U.S. for St. Lucia
As you leave I'll cry because
I am so happy for you!

With all these people it's a beautiful time
To celebrate your marriage
And to dance in a line
So I am glad that I am here
With everyone you hold dear
For the memories of your wedding day

Go ahead and travel
I will stay and check your mail
Maybe you'll find someone to come with you

Maybe Sara LaFassett
THAT WAS A JOKE
HAHA. FAT CHANCE
Anyway, this cake is great
It's so delicious and moist

Look at me still writing
When there's work to be done
I would love to continue
It's been so very fun
I've a car to procure

And many miles to endure
Before the memories on your wedding day

48 hours 'till your wedding day
Some snazzy pencils on your wedding day
It is FANASTIC on your wedding day
Rubik's cube races on your wedding day
Even when it's over it's your wedding day

Wedding day
Wedding day...
